**Explanation of Responses:**

1. Represents a supplemental option grant to align the Reporting Person's total initial director option grant with the Company's non-employee director compensation policy, which was amended on April 10, 2026 to provide for an initial option grant of 25,000 shares to new directors. The Reporting Person previously received an initial grant of 1,900 shares in February 2026; this supplemental grant of 23,100 shares reflects the difference.

2. The shares subject to the option vest and become exercisable in 36 equal monthly installments over a three year period such that the option is fully vested on the third anniversary of the date of grant, or April 10, 2029, subject to the Reporting Person's continuous service with the Issuer as of each such vesting date.
